IMPORTANT!

Bring Your Own Chair

The ceremony will take place outside. Please bring a fold up chair. We are expecting about 300 people. Gates in the staff parking lot will be open for chair set up beginning at 7:30am.

Student Dress

We ask that the students wear nice respectable attire, like they would for the first day of school or picture day. All dress code requirements are in place with the exception that girls may wear opened toed sandals with a back strap.

Honoring our 6th Grade Students

This is a school day with planned order of events. This is a day to honor all the 6th graders in completing this chapter in their education process.

Please do not bring any distracting items that would take away from the student's ceremony (ex. horns, balloons, flowers, limos) this is not a graduation.

Thank you!
